One-Stop International Legalisation Service

Documents issued in British Overseas Territories (e.g. BVI) and Crown Dependencies (e.g. Guernsey) can only be legalised in the UK.

Our established and professional international document legalisation team in London, provides a swift and comprehensive service:

- An experienced team with a thorough understanding of the legalisation process and the requirements of different countries.
- A one-stop service, from obtaining the necessary original documentation to its legalisation for use in the required jurisdiction.
- One member of staff will handle all aspects of your request – we do not outsource any aspect of our service, providing greater reliability.
- Rapid access to the majority of international consulates through London's position as an international diplomatic hub.

For more information or to discuss your legalisation needs with us, please contact legalisations@tridenttrust.com or call Edward Wells at +44-20-7487-0460.
