# New Dubai Property Services

*providing confidence through performance*

A No Objection Certificate (NOC) from the Dubai Land Department is required to own property in Dubai via a corporate structure. Obtaining an NOC can be a complex process.

Trident Trust is now able to assist clients in obtaining an NOC for the transfer of immovable property into a corporate structure.

The only offshore company that is permitted to directly hold Dubai property is a JAFZA offshore company. Trident Trust can incorporate JAFZA offshore companies to hold Dubai property, as well as companies in 23 other jurisdictions which may form part of a broader corporate structure.

Please contact our Dubai office for further information on how our property services can assist you or your clients.
