

Trident Services (I.O.M.) Ltd, a member of the Trident Trust Group, now offers Isle of Man based professional organisations a new, attractively priced UK consulting, tax compliance and in-house training service.

Trident Services (I.O.M.) Ltd is headed by Barry Short, a Chartered Accountant, Chartered Tax Adviser (CTA) and Trust and Estate Practitioner (TEP).

Before joining Trident Trust in 1993 Barry worked in various capacities with Coopers & Lybrand and Ernst & Whinney both in the UK and abroad. During his career with Trident Trust in London, Barry served as a Director of Trident Trust Company (UK) Ltd and as a consultant with Trident Company Services (UK) Ltd.

To arrange a meeting with us to discuss how we can help your organisation through the UK tax services we offer please contact Barry Short on 01624-646760 or David Bester on 01624-646747.

UK Tax Consulting

- General UK Income Tax, Capital Gains and Inheritance Tax matters including taxation of persons resident but not domiciled in the UK
- Structuring for International Property Acquisitions
- International Estate Planning

UK Tax Compliance

Support with the completion of UK tax returns including:

- Non-Resident Company Returns
- Trust Gains and Capital Payments Returns
- Trust and Estate Tax Returns
- UK Company and LLP Returns

In-House Training

Our structured in-house training includes the provision of tax training courses materials.

- General Principles of UK Taxation for Non-Domiciliaries
- UK CGT Reform 2008
- UK Budget 2008 – Impact on Non-Domiciled Residents
- Tax Aspects of the Acquisition of UK Property

Training sessions can be tailored to your organisation's requirements.

Fees

All Consulting Services £240 per hour

Tax Compliance

- Non-Resident Company Tax Returns for rental properties £500 (Returns requiring the determination of the level of refurbishment cost classified as repairs and maintenance and similar special inquiries are subject to additional fees.)
- UK Company and LLP Returns – fees subject to negotiation depending on level of activity of the entity.

Disbursements are charged at actual cost.
